MACGREGOR
Designed to perform with the sea
Bulk carriers

Bulk handling equipment

Cement handling systems

Deck machinery

Folding hatch covers

GLB cranes

GLBE cranes

Gravity systems

K4 cranes

MacRack

Side-rolling hatch covers

Transfer terminal solutions
Car carriers

- Car decks
- Davits for rescue boats
- Deck machinery
- Hoistable ramps
- MOOREX onboard mooring systems
- Quarter ramps / doors
- Ramp covers
- RAM-type steering gear
- Rotary vane steering gear
- Screw compressors
- Shell doors
- Side ramps
- Water or air-cooled piston compressors
Container ships

Deck machinery

GL cranes

GLE cranes

Lashing bridges

Lashing systems

LC cranes

Lift-away hatch covers

PlusPartner solutions

RAM-type steering gear

Rotary vane steering gear

Screw compressors

Water or air-cooled piston compressors

Cruise ships

Deck machinery

Rotary vane steering gear

Floating car parks

Screw compressors

Lifting platforms

Service cranes

Linkspans and shore ramps

Shell doors

Loading platforms

Tender embarkation platforms

Mooring platforms / doors

Water or air-cooled piston compressors

Passenger gangways

Water-taxi terminals

RAM-type steering gear
Deepsea RoRo ships

- Bulkhead doors
- Car decks
- Cargo cranes
- Deck machinery
- Folding hatch covers
- Hoistable ramps
- Lashing bridges
- Liftaway hatch covers
- Loose container fittings
- Piggy-back hatch covers
- Quarter ramps / doors
- Ramp covers
RAM-type steering gear

Rotary vane steering gear

Screw compressors

Shell doors

Side ramps

Stern doors

Tween-deck hatch covers

Water or air-cooled piston compressors
### General cargo ships

</table>
Naval ships

- A-frames
- Bow doors / ramps
- Bulkhead doors
- Car decks
- Cargo cranes
- Compressors
- Deck machinery
- Deck-skid systems
- Hatch covers
- Internal access ramps
- Launch and recovery systems for ROVs
- Lifting/loading platforms for helicopters and cargo
- Offshore cranes
- Quarter ramps / doors
Rescue boat davits

Shell doors

Shipboard cranes

Side doors and ramps

Stern doors / ramps

Steering gear

Submersible stern gates

Umbilical winches

Rescue boat davits

Shell doors

Shipboard cranes

Side doors and ramps

Stern doors / ramps

Steering gear

Submersible stern gates

Umbilical winches
RoPax ferries

- Bow doors / ramps
- Car decks
- Deck machinery
- Front doors
- Hoistable ramps
- Linkspans and shore ramps
- Passenger gangways
- Ramp covers
- RAM type steering gear
- Rotary vane steering gear
- Screw compressors
- Side doors
- Stern ramps / doors
- Water or air-cooled piston compressors
- Water-taxi terminals
Shortsea RoRo ships

- Car decks
- MOOREX onboard mooring systems
- Davits for rescue boats
- Passenger gangways
- Deck machinery
- Ramp covers
- Front doors
- RAM-type steering gear
- Hoistable ramps
- Rotary vane steering gear
- Internal access ramps
- Screw compressors
- Lifting platforms
- Shell doors
- Linkspans and shore ramps
- Stern ramps / doors
- Loading platforms
- Water or air-cooled piston compressors
Shuttle tankers

- Deck machinery
- Pusnes bow-loading systems
- RAM-type steering gear
- Rotary vane steering gear
- Screw compressors
- Water or air-cooled piston compressors
Tankers and gas carriers

- Cranes
- Deck machinery
- RAM-type steering gear
- Rotary vane steering gear
- Screw compressors
- Water or air-cooled piston compressors
Accommodation

Anchor windlass / mooring winches
Auxiliary winches
Bow doors
Deck cranes
Deck machinery
Electric mooring winches
Lattice boom cranes
Offshore cranes
Pipe-handling davits
Pusnes offshore mooring systems
RAM-type steering gear

Rescue boat davits

Rotary vane steering gear

Side ports

Stinger winches

Tugger winches

Water or air-cooled piston compressors
Anchor handling tug supply vessels

- AHT winches
- A-frames
- Bulk handling systems
- Cargo rail cranes
- Chain wheel manipulator
- Deck hatches
- Deck machinery
- Deck-skid systems
- Launch and recovery systems
- Module-handling systems
- Multi-deck handlers
- Offshore cranes
- Piston-type steering gear
- Rescue davits
Rotary vane steering gear

Screw compressors

Secondary winches

Shark jaws and towing pins

Shipboard cranes

Stemrollers

Water or air-cooled piston compressors

Sternrollers

Shipboard cranes
Construction and subsea support vessels

A-frames
Anchor windlass / mooring winches
Deck cranes
Deck hatches
Deck machinery
Deck-skid systems
Lattice boom cranes
Launch and recovery systems
Module-handling systems
Offshore cranes
Piston-type steering gear
Pusnes offshore mooring systems
Rescue boat davits
Rotary vane steering gear
Screw compressors

Shipboard cranes

Side ports

Steering gear

Subsea AHC cranes

Tugger winches

Water or air-cooled piston compressors
Fishery vessels

- Cork line stackers
- Deck cranes
- Deck machinery
- Indoor net handling
- Net cranes
- Net winches
- Piston-type steering gear
- RAM-type steering gear
- Ring needles
- Rotary vane steering gear
- Screw compressors
- Sink line stackers
- Water or air-cooled piston compressors
Mobile drilling units (MODU)

AHC winches
BOP handling equipment
Bridle recovery winches
Cargo security winches
Deck machinery

Electrical mooring winches
Hose reel & umbilical winches
Man-rider winches
Mooring winches
Offshore cranes
Permanent moored production units / FPU

- Chain wheel manipulators
- Hydraulic power units
- Loading towers
- Pusnes offshore loading systems
- Pusnes offshore mooring systems
- Water or air-cooled piston compressors
Supply and research vessels

- A-frames
- Auxiliary systems
- CDT davits
- Cork line stackers
- Deck hatches
- Deck machinery
- Deck-skid systems
- Electric driven winches
- Indoor net handling
- Intermediate rollers
- Launch and recovery systems
- Module-handling systems
Port solutions

Auto-mooring

Floating car parks

Linkspans and shore ramps

MOOREX shore mooring systems

MOOREX onboard mooring systems

Passenger gangways

Port cranes

RoRo pontoon linkspans

Water-taxi terminals

Woodfield marine loading arms
Wherever needed, you can rely on our support.

MacGregor shapes the offshore and marine industries by offering world-leading engineering solutions and services with a strong portfolio of MacGregor, Hatlapa, Porsgrunn, Pusnes and Triplex brands. Shipbuilders, owners and operators are able to optimise the lifetime profitability, safety, reliability and environmental sustainability of their operations by working in close cooperation with MacGregor.

MacGregor solutions and services for handling marine cargoes, vessel operations, offshore loads, crude/LNG transfer and offshore mooring are all designed to perform with the sea.

MacGregor is part of Cargotec. Cargotec’s class B shares are quoted on NASDAQ OMX Helsinki Ltd.
