

MacGregor service parts for grab cranes

We offer the rapid, global supply of spare parts
for non-MacGregor grab cranes

At your service

MACGREGOR

Designed to perform with the sea

Make MacGregor service parts your first choice

If you want reliable, efficient, safe solutions for every type of cargo that you handle, including the most delicate, do not compromise on your spare parts. Our spares meet the industry's increasing drive for safer, more effective equipment that offers better lifetime profitability and performance.

Long service life

Original MacGregor spare parts ensure a long, efficient service life for your equipment, driving down maintenance costs and improving safety and profitability.

Continuous development

We are committed to continuous customer-driven developments, proven in the field and designed to deliver the best possible performance. Our expert knowledge of cargo handling is translated into optimised solutions that protect your cargo.

Trusted in all conditions

MacGregor spare parts are manufactured to the highest quality standards and exacting specifications. These ensure optimum component performance for any given application.

MacGregor is able to supply spare parts for grab cranes from the following manufacturers:
